## Class of 2007: Pathway to College

Produced by **UCLA/IDEA** and **UC/ACCORD**

The chart above shows the progress of California's African American students in the Class of 2007. All of the bars represent a percentage of the African American 9th graders enrolled in fall 2003. The 10th, 11th, and 12th Grade bars show that the size of the class shrinks each year. Grads 2007 and A-G Grads show how many African American students graduated and how many passed the A-G courses required for admission to a California State University or University of California campus. The final three bars show what proportion of the African American 9th graders enrolled in a California Community College, California State University, or University of California campus in fall 2007.
