- Schools with qualified teacher shortages enroll 5.1% of all Latino students.
- Schools with college preparatory course shortages enroll 66.5% of all Latino high school students.

California Latino Students Class of 2007: Pathway to College

Produced by **UCLA/IDEA** and **UC/ACCORD**

The chart above shows the progress of California's Latino students in the Class of 2007. All of the bars represent a percentage of the 9th graders enrolled in fall 2003. The 10th, 11th, and 12th Grade bars show that the size of the class shrinks each year. Grads 2007 and A-G Grads show how many Latino students graduated and how many passed the A-G courses required for admission to a California State University or University of California campus. The final three bars show what proportion of the Latino 9th graders enrolled in a California Community College, California State University, or University of California campus in fall 2007.
